# FROM OUR MINISTERS

## A Resolution or a Commitment?

The story is told about how a school principal asked all of his teachers to write out their resolutions for the New Year. He promised to post them on the Teacher's bulletin board so that all could benefit from them.

When the resolutions were posted, all the teachers crowded around to read the suggestions from their co-workers. But one of the teachers suddenly went into a fit of anger. "Mine is not here! He purposefully left mine off the board. He doesn't care about me. This just shows how little I'm appreciated around here!" The principal knew he had not intentionally left anyone's resolution off the board, so he rushed back to his office and found the missing note under a pile of papers. He was embarrassed, but he immediately posted it. The resolution read: "I resolve not to let little things upset me anymore!"

Sometimes we are quick to make resolutions without commitment. Sadly, it happens way too often -- failed diets, abandoned exercise plans, neglected projects. We're all guilty sometimes of lack of commitment. But, the most serious area of concern is when it comes to our spiritual service to God.

At some point we've all said, "I know I need to do better, and I intend to do so!" It may be our attendance to worship service and bible study, or it might be in the area of our personal devotion and prayer. Whatever it might be, the resolution is good, but we need commitment to see the task through!

As we move further through this new year, make the commitment to follow through on the resolution to make this the year that makes the difference in the lives of those we care about all around us. "Each one; Bring one" is a great way to make this happen. As we move further into this New Year, let's make the commitment and make this year a great year for the Lord.
