## I Get Knocked Down

Valerie and I enjoy watching basketball teams, especially during the playoffs. There's this one commercial that says sure, we get knocked down, but we always get back up one more time!

You know, it got me thinking about how the same thing often happens to us as Christians. There's probably someone reading this today who knows the disappointment, heartache or maybe even the shame of being knocked down in life. The question is, what will you do when you get knocked down? Will you lie there and give up, or will you get up and try again?

Jesus took the time to tell His disciples that they would experience the disappointment of being knocked down in life. He said, "...*In the world ye shall have tribulation; but be of good cheer; I have overcome the world.*" (Jn. 16:33) You see, Jesus wanted them to know that even though they would get knocked down by disappointments and discouragement, they could get up and claim the ultimate victory!

Maybe you've been knocked down or knocked around in life. Perhaps you're thinking, "I gave it my best shot. What's the use of trying again?" Let me encourage you to remember that God is not as concerned with how many times you fall down as He is with how many times you get back up again! Moses failed, David failed, Simon failed, and yet God still had something very important for them to do for Him once they got back up again by repenting and surrendering to Him. With God, failure never has to be final. If you are willing to get back up again, you can be victorious and hear the Savior say, "Well done!"

John Phillips, Jr.
